1. Attached are copies of the minutes, monthly reports, and telecons we have received up to this time. You will be receiving this information from now on.

Just a reminder, that we need a copy of the signed contract. Also, if you have copies of the business justification, clarification to the statement of work, etc. that ran off, we would like to get them. [redacted] may have given you the file he was going to make for us of the contract with supporting documents.

Thanks,

Atts
